Boom in Tourism Industry

241. SHRI JAGMOHAN: Will the Minister of CIVIL AVIATION AND TOURISM be pleased to state:

(a) whether a boom in tourism is expected all over the world in the second half of nineties;

(b) if so, what schemes/programmes are being planned to ensure that India takes the maximum advantage of this boom; and

(c) whether any special project has been envisaged to attract tourists to the spots which are associated with ancient India's culture and religion?

THE MINISTER OF CIVIL AVIATION AND TOURISM (SHRI GHULAM NABI AZAD): (a) According to forecasts made by the World Tourism Organisation, the world wide international tourist arrival is expected to grow at an average rate of 4.4. percent during the second half of nineties. The projected growth rate for the South Asia region during the same period is 7 percent.

(b) The Government has initiated several measures for the improvement of infrastructural facilities for tourism. It includes declaration of tourism as a priority sector for foreign investment, provision of incentives and facilities for attracting private investment in tourism projects, assistance to State Governments for the development of tourism infrastructure, introduction of tourist trains and upgradation of indentified airports.

(c) A special scheme for the refurbishment of monuments and landscaping of the area around them has been drawn up recently to develop facilities for cultural tourism. Infrastructural development in identified Buddhist centres in U.P., Bihar and Maharashtra are being carried out under the OECF Project.
